

VINO E BEVANDE

ABOUT THE LIST

Our ALL-ITALIAN wine list, showcases wines from across Italy's grape growing regions. In Italy, wine is an everyday drink, always has been, always will be. To treat it as such, we offer our vino poured in tumblers to show the respect of the casual Italian Trattoria found on every countryside, mountainside and city street all across Italy. We offer both Bottle and Quartino Service and will gladly assist with a selection and guide you through the Italian varietals.

The Quartino is our version of "by the glass." The quarter liter carafe gives you a glass and a half. Enjoy the opportunity to explore different wines, share with your friends and decide how much wine is in your glass! Salute!

By offering a large variety of quality Italian wines, we may be "out of stock" on certain wines due to various reasons. Sometimes they just can't get them imported to Texas. Vintages are subject to change based on shipments available. We apologize in advance and will be happy to assist you with a comparable selection. Thank you for your patience...
